

Kairo Ribeiro | Software Developer

Portfolio shorturl.at/fhlO6 | kairo10@gmail.com | linkedin.com/in/kairo-ribeiro/ | github.com/kairoribeiro

As a Software Engineer with a background in civil engineering, my passion for learning new skills and technologies pairs well with my drive for constant self-improvement. I have always been involved in solving problems creatively and I enjoy working in diverse and inclusive environments that allow me to build authentic relationships and collaborate with those around me.
