

# Kairo Ribeiro | Software Developer

Portfolio <https://tinyurl.com/53umfzb5> | [kairo10@gmail.com](mailto:kairo10@gmail.com) | [linkedin.com/in/kairo-ribeiro/](https://linkedin.com/in/kairo-ribeiro/) | [github.com/kairoribeiro](https://github.com/kairoribeiro)

As a Software Engineer with a background in civil engineering, my passion for learning new skills and technologies pairs well with my drive for constant self-improvement. I have always been involved in solving problems creatively and I enjoy working in diverse and inclusive environments that allow me to build authentic relationships and collaborate with those around me.

## TECHNICAL SKILLS

HTML | JavaScript | CSS | Git | Github | Mongoose | Node.js | Express.js | MongoDB | Bootstrap | Django | React.js | Python
